

Your Blessing Is On The Way

Johnetta Bush

If it's seems like everybody's been blessed (been healed) but you

If it's seems like everybody's getting ahead (been delivered) oh but you

(Don't worry about that part of it)

Just remember God's word is true

God's blessing He's gotta blessing

And it's waiting for you

All you gotta do is just pray

[Chorus] x2

Pray, Wait, Believe on Jesus

Pray, Wait, Believe on Jesus

Your blessing is on the way

Your blessing is on the way

[Post Chorus]

Your blessing is on the way

Your blessing, Your healing

Your deliverance, Your joy

Your blessing, Your blessing

Your healing, Your deliverance

Your joy, Your joy

Your blessing is on the way (xX)
